CAREER OVERVIEW

Auke (JJ) Steensma is a highly sought after and practised and tertiary qualified leader and manager with over 25 years of commercial experience in the field of business leadership and general management, within contract, logistics, procurement and project management in the private, corporate and government/defence sectors.

After a successful career as an Army Officer in the field of logistics/project management, he joined Ball Services Group (now QinetiQ Consulting) in March 2002 and was instrumental in the development and management of the Western Australian - Market Business Focus Team. During this period, he managed the WA team and was contracted by the ANZAC Ship Alliance Management Office (Tenix); as the National Procurement & Logistics Manager.

In Oct 2003, he setup and became the Managing Director/Principal Consultant (WA) of ProLog Solutions Pty Ltd, a consulting firm, located in Perth and Melbourne that specialised in management consulting in project management contract, procurement, logistics, supply chain management and training.

In Mar 05, he was appointed Procurement Support Manager - Water Corporation (WC). During this period, he was responsible for the Water Corporation's Dispute Resolution Team, the planning, development and conduct of the Water Corporation's – Procurement Branch – process and compliance program and managed the Procurement - policies & procedures and education & training for all things procurement/contract & supply chain management.

In Dec 07, he set-up Steensma Pty Ltd (SPL) a specialty consulting firm whose primary focus is; alternative dispute resolution, management consulting, project management and training solutions. SPL alternative dispute resolution management group specialises in mediation, expert determination, adjudication (the Construction Contracts Act 2004) and negotiation.

In 2008, he became a Council Member/Employer Representative for the Defence Reserves Support Council (WA).
